

Emily's Dog Walking

Hi, my name is Emily, I'm a local school leaver about to start at Eccles Sixth Form College in September to study a course in Animal Management.

I would love to pursue a career working with animals in the future.

Unfortunately, just like everyone else, my summer plans were thwarted due to the Coronavirus pandemic. I was hoping to get a part-time job but I am struggling to find something suitable locally during this time. Therefore, I have decided to start my own little venture – a dog walking business.

I have a 5 year old male golden Labrador called Oscar, and my grandparents have a Dalmatian and a Collie-Cross. I also help my neighbour occasionally walking their Maltese and I have walked my mum's friends Cocker Spaniel, so I am used to walking different breeds of dogs.

I live in Ellesmere Park, so I am familiar with the local area and see a lot of dogs about. I walk the dogs across the Three Sisters, on Quaker Fields and around Eccles College towards Campbell Road Fields.

I am a reliable trustworthy young lady trying to get some local work experience. I would welcome the opportunity to walk your dog(s) for you and for you to support my business.

EMILY'S DOG WALKING

I will walk your dogs around the Monton/Eccles area. I'll walk up to 2 dogs at a time. I'm a reliable school leaver, about to start an Animal Management Course. I have my own dog (a 5 year old male Labrador) so I have experience of dog walking. I will collect your dog(s) from your house.

Call, text or e-mail now to book a time slot and day.
