

## **Back in Time - 30 - Victoria Road - More Photographs**

by John Rabbitt

Following yesterday's Back in Time featuring Victoria Road one of our members, Gill, sent me two photographs of the Victorian semi-detached houses on Victoria Road, Nos 4 and 6.

The photographs were taken by her daughter as part of an art project while she was a student at Eccles College. I have indicated on the map the location of these properties. These houses were eventually demolished and the Queenscroft apartment complex was built on the site. The photographs Queenscroft 1 and 2 were taken from the same view point as the photographs of 4 and 6 Victoria Road.

**Queenscroft 1 - 2020**

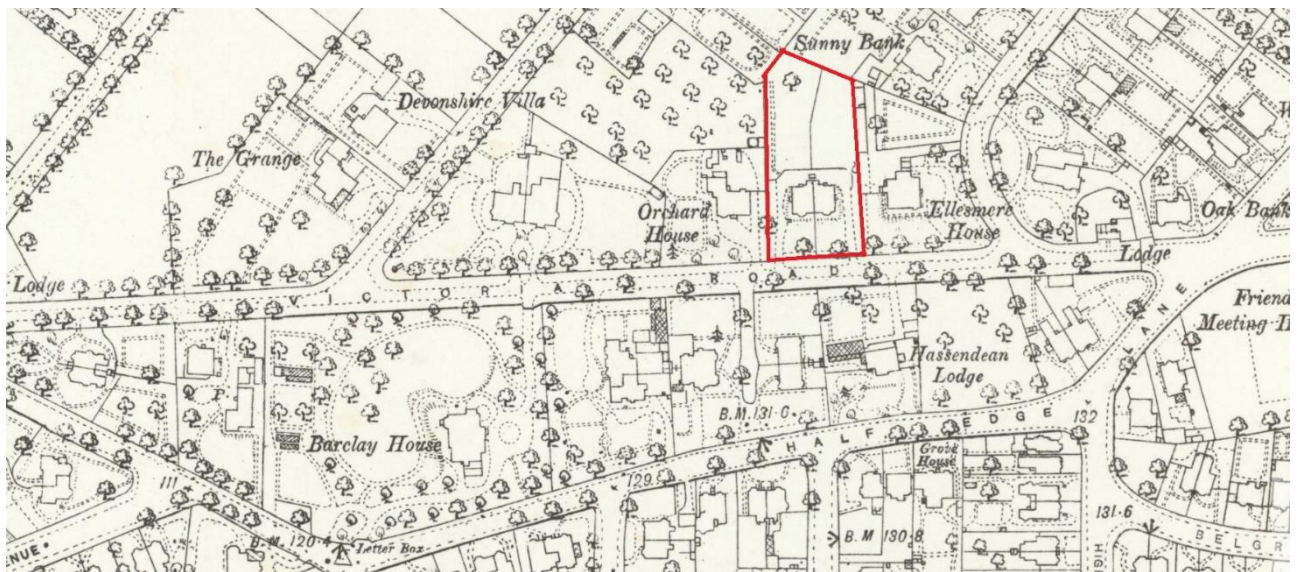

**6 Victoria Road - 1990s**

**Queenscroft 2 - 2020**

I vaguely remember that a very large tree fell against the side elevation of the right-hand semi, no. 4. I would be interested to know if anyone else can remember the tree leaning against the side of the house?

My thanks to Gill and her daughter for sharing these photographs with us.
